Docket No. 98N-1265 99 MAY 25 AIO 54
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular,
I OBJECT to the definition of "inordinate amount" which restricts the availability
and the right to obtain medically necessary compounded medications by limiting
the number of prescriptions that can be shipped across state lines from specialized
compounding pharmacies.

COMMENTS: How dare you even consider this
restriction so that the drug industry can
make more money from the American
public! This effort is not for my
protection but for big business profit!
